

UK organisations working abroad safeguarding overview: Scotland

Below is a basic overview of the services SAFEcic provide that can help you meet your legal responsibilities if your organisation works directly with children, young people or adults at risk. This flowchart should not be taken as legal advice and is designed to be used as a brief overview only.

*Most roles that involve working with children, vulnerable adults or adults at risk are eligible for an enhanced level check & require PVG membership. Contact Disclosure Scotland

SAFEcic offers a wide range of safeguarding and other related training, policies and services both UK and International. For more information, give us a call or email today.
